

DESCRIPTION

Filler putty. Hides irregularities and damage to the bodywork surface.

CHEMICAL BASIS

Two-component thixotropic polyester putty based on flexible unsaturated polyester resin, fast curing.

GENERAL CHARACTERISTICS

- *Filling and leveling of sanding marks, scratches and irregularities.
- *Additional coat on a part of wood or bodywork already prepared.

PROPRIETES PHYSIQUES

- Relative density : 1.73 ± 0.05 at 25°C .
- Dry extract weight : $80 (\%) \pm 2$.
- Color: Light gray and Yellow.
- Pot life: 3-6 minutes (depending on temperature).

APPLICATION DETAILS FOR USAGE

Ready to use. Use D33 or D55 for cleaning.
Catalyst: Tube of Benzoyl Peroxide, mix at 3%.

INFORMATIONS RELATIVES AUX COV

UE limit value of this product (category II B.b): 250 g/l.
This product contains a maximum of: 10 g / l COV.

PACKAGING

0,5 kg, 1 kg.

DRYING TIME

Pot Life : 3 to 6 minutes at 20°C .

Drying time at 20°C : 20 - 30 minutes.

CONDITIONS AND METHODS OF APPLICATION

Ready to use.

Application material: Body knives

Drying time at 20°C : 20 to 30min

Sanding: Dry sand only

STORAGE

The product can be stored for up to 1 year under good storage conditions away from sunlight and frost in its original closed packaging. It is nevertheless recommended to shake the product before use.

HEALTH & SAFETY

Health and safety information and precautions for use are detailed in the safety data sheet N °225.

Edition : July 2020 by Colorado 07/20 (DC28 D).

N.B : The purpose of this technical data sheet is to provide information on the properties of our product. The information contained therein is based on our current knowledge of tests carried out with a constant concern for objectivity according to the conditions of use in accordance with standards or DTU in force; However, the information cannot replace an appropriate description and the state of the funds to be painted. This descriptive technical sheet cancels and replaces any sheet relating to the same product. The above technical data does not imply acceptance of the guarantees. Close the pot tightly after use. Help preserve the environment by not disposing of waste in the drains or household waste. Please return your empty jar to a recycling center. For your unused product, please contact your local authorities for information on disposal and collection.
